PRE-SEASON INFORMATION

Web Site:	Michael Galasso, GRCI
Entries and Results:	Jeff Anderson
Officials	Chuck Thompson, CHCI Darcy Mintz, HHSS
Finance:	Gary Wilson, WODSS
Committee:	Frank Wittman, SBCSS James Sniatenchuk, SJAM Greg White, JHSS Tom Fitzgerald Brian Henry, WRDSB

SPECIAL NOTE: In addition to the information in this package be aware that there is a set of WCSSAA and District 8 Track and Field Playing Regulations. The Head of Physical and Health Education in each school should have an up-to-date copy. All coaches should be familiar with these playing regulations.

ENTRY INFORMATION and PROCEDURES

1. Entry Deadline **SUNDAY, MAY 7, 2016 @ 6 pm**

Entries are due no later than 6:00 pm at Athletic.net. At that point the online entry system will be closed. If you have any problems email michael_galasso@wrdsb.on.ca. Please respect this deadline. If one school is missing it delays the entire process, which is a huge job that Jeff, Gary and Michael perform for us.

2. Entries

Please E-MAIL to michael_galasso@wrdsb.on.ca the name and email of your head coach and the person in charge of doing the WCSSAA/District 8 entries.

Entries are to be done using Athletic.net's services (<http://www.athletic.net>). Entry errors have occurred in the past which resulted in some very upset athletes and parents so please put a mechanism in place where your athletes check that they are entered in the correct events and in the correct age group. (i.e. Coaches should run a copy of their entries for posting so their athletes can check for accuracy). **If an athlete notices an error, then please e-mail Mike & Jeff at michael_galasso@wrdsb.on.ca before 9 pm or sooner if possible on Monday, May 8th with the change(s). Please note that no changes to entries will be accepted after this date unless it is an error created by the organizing committee.**

3. Seed Performances

It is expected that seed times (as accurate as possible) will be included with your entries for all track events, including relays. Note that designating relay teams as "A" and "B" with no seed times does not guarantee your "A" team would be in the fast section.

The 400m and the Intermediate Hurdles will be run as a timed final. The seed times will be established by an athlete's maxi-meet or Track Wars time or any OFSAA sanctioned track and field meet provided an official result from the meet is submitted with the entry. If an athlete wishes to run the 400m or the intermediate hurdles but does not have a verifiable seed time, they will automatically be assigned a No Time and be placed in the slow sections.

4. Number of Entries

a) Each school may enter an unlimited number of competitors per individual event and 2 relay teams per relay event.

5. Other Entry Information

- a) Each competitor may enter three individual events of the same age class, plus one age class relay, plus one open 4 x 400m relay
- b) A competitor may enter an open, individual event but that event counts as one of the three events as outlined in section "a" above.
- c) An athlete who competes in one age class for individual events may compete on one higher age class relay team.
- d) An athlete may compete in a higher age class in individual events provided that he/she does so in all events (including relays) for the season. [EXAMPLE: If you had five good midgets for the 100 m, then you could enter your best one of the five in the junior 100 m BUT that athlete must then compete as a junior at CWOSSA, Regionals and OFSAA.]

ELIGIBILITY

1. All athletes entered in the WCSSAA and District 8 championship meet must meet the eligibility requirements of their respective associations.
2. Your completed entry forms with or without the signature of the principal will be considered your eligibility list. ***It is assumed that you have checked the ages of all your students carefully.***
3. In order to be entered in the meet an athlete must have competed in at least one Maxi Meet or Track Wars, during the current season. See the Maxi Meet package of information for more details.
4. An athlete must be wearing his/her school uniform in order to compete. Please note that during the high school season, club clothing is not to be worn at any time at the facilities hosting the event. This is consistent with the OFSAA policy. All members of a given school relay team must be in school uniform.

C.W.O.S.S.A. ENTRIES (from WCSSAA and District 8 meet to CWOSSA meet)

1. The convenor will automatically enter the top four WCSSAA and top two District 8 competitors in the CWOSSA meet.
2. Coaches are asked to do their best to declare any scratches amongst your CWOSSA qualifiers so other athletes may be "bumped up". Every attempt will be made by the convenor to notify school coaches of any athletes who get "bumped up" due to scratches. NOTE: Scratches after the CWOSSA deadline cannot be processed.
3. Coaches are reminded that special appeals for extra entries to CWOSSA must be made through the convenor. Such appeals should be restricted to extraordinary medical reasons. The convenor will consult with the WCSSAA/District 8 President before a ruling is made.

QUALIFYING for SEMI-FINALS and FINALS

1. **100m**

If 8 heats, then top 1 in each heat + next 8 best times to semi-finals.
 If 7 heats, then top 1 in each heat + next 9 best times to semi-finals.

 If 1 heat, then it will run as a final with the other 100m finals.

2. **Sprint Hurdles and 200m**

If 7+ heats, then top 8 best times to finals.
 If 6 heats, then top 1 in each heat + next 2 best times to finals.

 If 2 heats, then top 3 in each heat + next 2 best times to finals.
 If 1 heat, then it will run as a final with the other sprint hurdles/200m finals.

3. **400 m Event**

The 400m is a timed final. Any ties for CWOSSA qualifying will be broken by a run-off at the conclusion of the day.

4. Ties in Qualifying

The final decision is that of the track referee. In the past if two athletes tie in heats or semi-finals, then the athlete with the better place of finish has been advanced. This is done to avoid the need for a runoff.

LANE ASSIGNMENTS

The top four seeds are placed at random in lanes 3, 4, 5 and 6 and the bottom four seeds are placed at random in lanes 1, 2, 7 and 8.

POST ENTRIES and SUBSTITUTIONS (NOTE CAREFULLY.)

No post entries or substitutions are allowed after the entry deadline of **May 7, 2017**. The one exception is that a school may substitute on a relay team but the substitute must be an athlete who is already registered in the meet as of the entry deadline. One alternate may be declared for relay teams at the time of entry.
