

Boys Hockey Preview!!!!

By Madison Colbeck

The hockey season started off with the usual call for any interested boy who wanted to try out for the Ren Men Hockey team. The tryout process usually takes a week or so, but in this very special case it took three weeks or so. Of course there were a ridiculous number of boys who wanted to play hockey in blue, white and gold, and they were all very talented. The coaches' decisions were going to be tough ones, as their final consensus would decide the fate of the Boys' Hockey Team. In the past this has been a very successful team, they have won three consecutive WCSSAA titles and are hoping to add a fourth.

The team is well on its way to accomplishing this feat as it won a recent game against Resurrection 10-1. Such domination has been paralleled by our previous teams, but what sets this team apart from our past Ren Men is the obvious team chemistry you can see on and off the ice.

Once the team was finalized it was clear that it would be an amazing one.

If anyone had any doubts about it, they were probably put to rest after the first game.
